

REMARKS-General

1. The independent claim 1 is amended to be of sufficient clarity and detail to enable a person of average skill in the art to make and use the instant invention, so as to be pursuant to 35 USC 112.
2. The missing of certified copy of the CH 01246118.0 is noticed. A certified copy of the CH 01246118.0 will be submitted before the issuance of the instant invention.
3. Regarding to the objection of the specification, the applicant respectfully submits that the copending non-provisional application, 10/079,990, is currently in pending status.

Response to Rejection of Claims 1-16 and 21-28 under Double Patenting

4. The applicant respectfully submits that the copending claims 1-16 and 27-33 of copending application, application number 10/658,662, are amended in the Amendment A of the '662 application to avoid being conflict with the claims 1016 and 21-28 of the instant invention in order to overcome the double patenting rejection of the instant invention, wherein distinctive feature of having diversion emitting openings formed at the upper portions of the nozzle ducts has been included into the claims of the '662 application to maintain a clear line of demarcation between the applications.

Response to Rejection of Claims 1-28 under 35USC112

5. Applicants acknowledge the allowability of claims 1 to 28. The applicant submits that the independent claim 1 is amended to particularly point out and distinctly claim the subject matter of the instant invention, as pursuant to 35USC112. All dependent claims 2-28 are depended on the allowable amended claim 1 and include all of the limitations of the base claim and any intervening claims.

The Cited but Non-Applied References

6. The cited but not relied upon references have been studied and are greatly appreciated, but are deemed to be less relevant than the relied upon references.

7. In view of the above, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the objection are requested. Allowance of claims 1 to 28 at an early date is solicited.

8. Should the Examiner believe that anything further is needed in order to place the application in condition for allowance, he is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
